American Heritage Girls hosted by Black Powder

The DSC Black Powder Committee hosted the American Heritage Girls at the Black Powder Range Labor Day. Twenty girls, from several Detroit area troops, came here to work on their Shooting Sports Badge. The girls were taught basic shooting techniques and had an opportunity to practice and sightin .22 rifles before competing for score. Additionally, the girls learned basic shotgun shooting at clays and were able to fire a flintlock rifle.

In addition, the girls were also given the chance to try their hand at tomahawk and knife throwing on our handmade wooden targets. The day was capped with a fine meal of grilled burgers and hot dogs, courtesy of some of the attending parents.

Black Powder hosts two special events in October. First is the monthly Black Power Woods Walk. This is for traditional muzzleloading rifles and pistols and will be held Sunday, Oct. 13. lt starts at 10 a.m. and generally goes until noon or so. It's a fun event and a great place to tune up or test out your smokepole. If you are new to the sport or if you haven't shot your muzzleloader in years, this is a great event for learning or relearning how to do it. It a very informal shoot

Black Powder

and there is plenty of time to ask questions and observe how the other shooters solve black powder problems. For more information, read the flyer in this issue of the P&K or on the DSC webpage (i.e. "Coming Events").

Second is the Centerfire, Lever Action Woods walk. This will be held Saturday, Oct. 19. This event is designed for your Winchester or Marlin deer rifles or perhaps your cowboy action type lever actions. There are categories for adults and juniors and for iron sights or optical. It's the standard black powder target fare – hanging steel targets at distances of 15 to 60 yards semi hidden in the woods. Check out the flyer in this issue of the P&K or on the DSC website (i.e. "Coming Events") Note that its dark in the evenings and Black Powder has moved indoors for the Monday night shoots. Come join us when we shoot on the basement range.

Walter Opdycke

It's October. Sight-In 2019 is now in full swing. If you are a shooter, now is the time to get that rifle sighted in before deer season. If you are a Range Officer, now is the time to get in your service hours. At this time of year, the need for rifle ROs is acute. Please help us if you can.

It was noted at a recent meeting that muzzle breaks are much more prevalent than in years past. While wonderful devices for reduc-

Rifle

ing recoil for the shooter, their muzzle blasts can be downright annoying to nearby shooters or ROs. The range officers will do their best to mitigate their effects but at this busy season it is not always possible. Perhaps someone reading this will come up with a solution to this problem that is good for all.

By the time you read this, the new 25-yard sight-in box will have been installed in place of the old one. Thanks to all that helped make it happen. Another range improvement in the works is to place a 20-foot storage container (i.e. Seatainer) at the 100-yard line. We will keep you updated as things move forward.

The leagues are finished and the banquet is coming up Dec. 7. Be sure to pay your league/banquet fee if you haven't done so yet and hope to see you there.

Archery

Well it is officially archery deer season in Michigan. All the archery leagues have wrapped up for the year. The next and final archery event for the 2019 calendar year will be the Toys-for-Tots shoot in December. Good luck to all those trying to bag their buck. Hopefully all that practice from earlier in the year will pay off in October. Have a safe and enjoyable hunting season. Hopefully we will have some successful hunter pictures to share next month.

Congratulations to Stefan Lancaster for earning the rank of Eagle Scout aftercompleting . Be sure to congratulate Stefan if you see him.

DSC General Membership Monthly Meeting

Sept. 4, 2019—Clubhouse 8:00 pm

Pledge of Allegiance: R. Savo

Conservation Pledge: J. Estes

Moment of Silence: A Moment of Silence was held for member, Mr. Tim McAfee who passed away.

Presidents Report: (R. Savo) Past President and the Life Members were recognized. • Shelby Twp. has been working on approving our permits. With the long weekend that just ended I have not heard from them. I have bids for concrete with more on the way and I have a pretty good idea of what the building erection will cost. • We had a gas alarm go off at the rifle range. Because of seeping methane from the landfills around us, all the houses around us have to have gas detectors in the basements. We have gas alarms in all of our buildings. Since the alarm has never sounded before, we eliminated the possibility of methane. We surmise since we have two golf carts in the garage that are hooked up to battery chargers and they usually give off hydrogen when charging their batteries. If anybody is on the range and the alarm goes off, my phone # is on the table. • Now that the weather is cooler we have some landscaping to around the clubhouse and the new septic tanks that we installed. Also the price of bushes is dropping as the season comes to a close. We will also be replacing the clubhouse steps with concrete steps and we will move the patio out a little to give patrons more room to maneuver when the clubhouse doors are open. • I am really pleased with the July financial report. I want to thank all the committees who worked hard to put on the matches that allowed us to have a great financial report. • Our membership fees do not cover the expenses of running this club. The increase in the basic membership dues are \$10/year for five years. No other dues are affected.

Secretary's Report: (R. Hegelman) The July BOD Meeting minutes are on the table by the door and in the book behind the bar. • Due to technical difficulties, there are no August 2019 GM minutes available.

Treasurers Report: (D. Pardie) The financial results for July 2019 are available. Our YTD income for July is \$689,081.61. YTD expenses were \$578,584.16. The YTD net through July is \$110,507.45. Income for the month of July was \$99,839.77. Expenses for July are \$83,273.43. The July net is \$16,566.24. • Our loan balance is \$106,195.41. This is a good thing, and the numbers seem to be trending up as the spring and summer business increases. Today I signed checks for \$36,533; taxes are a part of that; so while the numbers look good we still must keep our expenses down to a minimum. • The Pro Shop mad a profit last month of \$1,588. We made a sizable investment the inventory. • Discussion followed on the money that the club has spent on the new building and all that is connected with plans, drawings, permits, soil and erosion testing, etc. The amount so far is \$75,167.50. The financial reports are in a book behind the bar if you want to look at them. 1st Vice President's Report: (J. Estes) I am also the Chairman of the Grounds and Planning committee. I am also the chairman of the Life Member and the Cowboy committee, so we have a lot to talk about. • We had a match in August with 32 people showing up. This month will be the State match in Port Huron. We have a lot of DSC shooters going to that match. Our Wild Bunch Match is on Sept. 7, followed with a Cowboy Silhouette match on the 15 and a Cowboy match on Sept. 29. We are still practicing on Saturdays from 10 a.m.-2 p.m. • Under one of our berms, a culvert has eroded the berm and it needs to be repaired to avoid a landslide. We also need a new roof on the clubhouse which will be costly. We have a lot of things to do and the P&K will have a list of projects we are working on every month. • Dave Oles is posting a list of work bees on the website. We also need work done in the campground. • The Life Member Sporting Goods show is this Sunday in the clubhouse from 9 a.m.-2 p.m. If you are looking for work hours, we could use members to take the entry fees and to make sure all the firearms have zip ties on them. Set up for the show tables is on Friday evening. • The Life Member meeting will be Sept. 8 starting at 2 p.m.

2nd Vice Presidents Report: All of our ranges will be busy in September and October with hunting seasons getting near. With all the use, please look out for any potential safety hazards. Make sure that the handicapping parking spaces are clear; see that the sidewalks are dry and not slippery. We want everybody to have a fun and safe experience at our ranges.
 Discussion followed regarding possibly expanding the number of handicapped parking spaces.

Trustees Report: Nothing to report.

Chairman's Report: (J. Lupi) Mr. Lupi covered the motions brought to the BOD in August with the members present. • Mr. Lupi reminded the committee chairmen that their calendars are due on October 1.

Operations Manager Report: (B. Palmer) Nothing to report.

Member of the Month: Ron Milliron

Committee Reports:

Archery: (D. Oles) The second half of the JOAD class will end with a mini-tournament on Sept. 12. Following the tournament, there will be a short banquet in the clubhouse with awards for accomplishments. • The next JOAD class will begin on Sept. 26 and will be indoors only. Open shooting on the indoor range will continue along with JOAD members where space is available. Regular rates apply. • The Fall Outdoor League will conclude on Sept. 23 with a banquet in the clubhouse. Guests are welcome to practice with us on any remaining Monday same as Open 3D on the weekends. • Open 3D archery ends on the last weekend of the month. We will have the annual "Ironman" 3D shoot on Sept. 29, beginning at noon. Following the shoot we will have a work bee to pick up targets and clear the range. • 3D open shooting is Saturday's and Sunday's from 9 a.m. to 3:30 p.m.

Black Powder: (G. Ridener) We are still having our mini-rendezvous on Tuesday's from10 a.m.-2 p.m. We are shooting on Monday evenings on the 200 yard rifle range. We are alternately shooting on the Woods Walk range and the 50-yard range on Thursday nights. Annual DSC Kids' Christmas Party Sat., Dec. 21

Our Annual DSC Kids' Christmas Party is set for Saturday, Dec. 21, 2019 from 10 a.m. to 1 p.m.

Now is the time to sign-up your child/ grandchild. Any child, age newborn to 12, related to a DSC member, and their parents and/or grandparents are invited for breakfast, games, singing carols and welcoming Santa. The more the merrier! Each child will be able to visit with Santa, receive a free breakfast, door prize, a present from our DSC Santa and buy tickets to win one or more of the great raffle prizes. I have heard from Santa and he's already looking forward to flying into the DSC this year! Sign-up forms are available in the P&K, DSC Office and Clubhouse or the website.

A few volunteers have stepped forward but we need your help.

The Present Wrapping Party is scheduled in the Clubhouse for Sunday, Dec. 15, 2019 at 3 p.m. (a great way to accumulate work hours). You only need to show up with a pair of scissors in hand and we'll put you to work.

Work hours are available to help coordinate this event and to volunteer on party day. We also need members to set up the evening of Dec. 20 at 8 p.m. at the Clubhouse. We can arrange and prepare the tables and put the gifts in order Friday night to eliminate being rushed the next morning. This year, as in past years, each DSC committee is asked to donate a raffle prize, or cash equivalent, worth approximately \$75. This gives us a greater diversity of raffle prize choices and helps defray the cost of the event. We've seen prizes range from drones, telescopes, BB guns and bikes to dollhouses, a giant teddy bear and numerous electronic toys. Each and every donation is greatly appreciated.

If you would like to volunteer, donate items for the party, or need more information, call the clubhouse at 586-739-3500 or email catsusmc@gmail.com.
